

# Qi gong Workshop Master Tao en Ye

## 4-5 Juni 2016

Lieve Qigongers,

Goed nieuws! Na het succes van de Qi gong workshop gehouden oktober 2015, dit jaar komt Tao weer een Zhineng Qigong workshop geven.

Hij neemt dit jaar zijn vrouw Ye mee, ook een zeer ervaren Qi gong master, en ze geven samen les.

De workshop is interessant voor gevorderden en is ook goed geschikt voor beginners die ervaring willen opdoen met Zhineng Qigong.

The inventor and developer of this unique healing method is a Dr. Pang Ming. He is a pioneering physician, researcher, trainer and master of ancient Chinese methods with an in-depth understanding of Western medicine. He learned from many of the the leading masters in Chinese medicine, Taoism, Buddhism and more. His reputation is known far and wide thanks to the success and benevolence of the simple methods he has developed and disseminated for the benefit of the general public. Thousands of people suffering from chronic and other health problems have been helped by his methods. In a hospital Dr. Pang Ming established in China during the 1980's, thousands of people suffering from chronic and severe health problems were successfully treated without the use of medicines.

*Zhineng Qigong are simple and effective Chinese exercises which harness Chi energy and chanel it towards healing for the balance of emotional and physical health.*
